

Historic Saloon Cars Eligibility Lists

- Schedule T&C for Classic Saloons, Group 2
- Schedule T&C for Classic Sports & GT's, Group 1
- Schedule K for Historic NZ Saloon Cars
- FIA Appendix K
- CAM's, Groups Na, Nb and Nc
- CAM's, Groups Sa, Sb and Sc

Notes

- Only vehicles manufactured between January 1960 and December 1977 are eligible subject to approval by the HSC Eligibility Committee
- Only normally aspirated vehicles are eligible (no turbocharged or supercharged engines unless factory produced)
- Convertibles must have a hard top.
- Some cars are only suitable to be classified as FIA Appendix K. Please check with the HSC Eligibility Officer before committing yourself to a build.
- If a car is not listed here it does not mean it is excluded but needs to be approved by the HSC Eligibility Committee
- All cars must comply with the regulations of HSC and are subject to auditing.
- Excludes all HMC eligible cars under Schedule T&C unless built to FIA.
- The HSC Eligibility Committee has the right to Invite certain Vehicles that sit outside these guidelines but comply with the date range that maybe of special interest.

Schedule K, NZ Historic Racing Saloon Cars.

Cars manufactured between 1960 to Dec 1977 that raced with proven completion history may apply.

All cars must be as manufactured with only homologated body modifications and mechanical components or as raced in the day.

We will consider:

Genuine Allcomer Saloons and Pre 1978 Shell Sport Cars.

Pre 1972 Group 1, 2 or 5 Racing Saloons.

GTX Production Saloons.

Excludes, OSCA Saloons, Schedule E Saloons, Sports Sedans, Group C & A Touring Cars.

All cars must be approved by the HSC Eligibility Committee

All cars must have a MSNZ Schedule K COD.

FIA Appendix K, Groups 1, 2 & 3 including T.

All cars as per the **FIA Homologation List**.

This includes cars only up to December 1971 to Period G1

All cars must be built strictly in accordance with the FIA Homologation Papers.

All cars must be approved by the HSC Eligibility Committee.

All cars must have a MSNZ Schedule K, CR3 COD or a HTP.

Excludes Touring Cars and Group 2 Cars after December 1971

**CAM's,
Groups Na, Nb & Nc for Saloons
Groups Sa, Sb & Sc for Sports & GT's**

All cars as per these groupings and must be built strictly in accordance with the CAM's regulations and only from the CAM's Eligibility List.
